## Why Become A Business Partner

### Our Audiences & Members Are Your Customers

The Capitol Theatre hosts numerous events throughout the course of our season, in addition to Portal Players' shows and events. Our promotional materials are seen throughout the Valley. By partnering with Portal Players, you turn our promotion into your promotion.

### Support The Arts

Arts and culture are an essential part of any society. By partnering with Portal Players you are ensuring the continuation of the performing arts in the Alberni Valley. Your involvement demonstrates your desire to live in a vibrant, well-rounded and successful community.

### Community Involvement

Being involved in community events is a wonderful way to give back to the people that support your business everyday. People recognize and respect businesses that continually reach out to improve and support their community.

### Great Value

The advantage of building a yearly Portal Players Partnership costs less than advertising just once in other media. All cash donations are also tax deductible, something every business can use.
